

12" Width x 144" Height Non-Tapered Double Raised Panel Fypon Column Wrap

- Our two-piece design cuts installation time and allows for more installation flexibility than competitive products
- Installs around the support structure so the integrity of the column is not dependent on the structural post
- Allows for flexible positioning - our unique design has the installation cleats on the exterior of the column, which provides room around the support post.
- Available in multiple styles suitable for both interior and exterior applications
- Constructed of durable PVC that won't rot, chip or flake, and covered by a limited lifetime warranty
- Perfect alternative to using wood column wraps
- This product qualifies for our Lowest Price Guarantee

DESCRIPTION

Elegant and easy to install around an existing structural support, Fypon column wraps allow you to add the sophistication of traditional columns near the end of a building project - protecting columns from incidental damage on the job site. Our unique design makes installation a breeze, and all of our column wraps are sold as a kit with everything you need to complete your project.
