

## 20" Bottom > 13" Top x 54" Height Tapered Plain Fypon Column Wrap

- Our two-piece design cuts installation time and allows for more installation flexibility than competitive products
- Installs around the support structure so the integrity of the column is not dependent on the structural post
- Allows for flexible positioning - our unique design has the installation cleats on the exterior of the column, which provides room around the support post.
- Available in multiple styles suitable for both interior and exterior applications
- Constructed of durable PVC that won't rot, chip or flake, and covered by a limited lifetime warranty
- Perfect alternative to using wood column wraps
- This product qualifies for our Lowest Price Guarantee

## DESCRIPTION

Elegant and easy to install around an existing structural support, Fypon column wraps allow you to add the sophistication of traditional columns near the end of a building project - protecting columns from incidental damage on the job site. Our unique design makes installation a breeze, and all of our column wraps are sold as a kit with everything you need to complete your project.
