DESCRIPTION

Stone textured columns are the perfect, lightweight alternative to stone. They provide the look and feel of pre-cast concrete without the weight. They also will not crumble or deteriorate the way concrete will after prolonged exposure to the elements. The perfect accent to stucco and stone facades, columns can be used to enhance a variety of home styles, extending the rich textures of the home to the porch or balcony.

Ships in 4 pieces:

(1) Shaft Top Half
(1) Shaft Bottom Half
(1) Base Half
