DESCRIPTION

The Sun Face Door Knocker is sand-cast in solid Nickel Silver and signed in the mold by artist Michael Healy. This Door Knocker is finished with a protective coating to maintain its beauty for years to come. Your Brushed Nickel Silver and Polished Chrome Sun Face Door Knocker was designed by Michael Healy, an accomplished Rhode Island artisan. While traveling in Europe, Michael was impressed by the rich variety of sculpted architectural detail. One such detail he encountered in the Alps was the Sun Face. Michael made a sketch of this happy image which years later became the subject for one of his unique Door Knockers.
