

#14-20 x 2 3/4" Remer Tek Wood to Steel "Star Drive" Screws - 5 lb / 180pc Approx

- White Zinc Coated over heat treated hardened steel
- Star Drive Recess reduces camout and end load, handles twice the torque of Phillips or square drive, eliminates spinning and fastener damage, and gives better bit life.
- Reamer Wings drill through wood and automatically snap off when they encounter steel or aluminum
- Self-Drilling #3 or #4 Point
- Shank Slot holds steel shavings from the screw's drill action and prevents them from interfering with the screw threads as they tap into steel
- Any wood to steel application up to 1/4" thick steel with no pre drilling
- This product qualifies for our Lowest Price Guarantee

Our Selection

Having the right tools at the right time is crucial. So is having the right products at the right price. We are not bound by a single warehouse location and limited style or size availabilities. We work directly with over 70 different manufacturers nationwide. This means we have direct control on availability, customizability, and quality.
