### DESCRIPTION

Discover the bliss of your own backyard with the Avalon pergola. As practical as it is beautiful, the three-panel adjustable louver system allows you to choose between sun and shade for a completely customizable sanctuary all day long. The louver panels turn 45 degrees in both directions, with 4 inches between each panel. With the sun at its highest point, the Avalon will provide full shade.

Crafted from premium weather-resistant vinyl, the Avalon pergola is maintenance-free and built to last.

The Avalon pergola is covered by a 20-year warranty, with 5-year coverage on the louver assembly.
