### DESCRIPTION

Discover the bliss of your own backyard with the Camelot pergola. Standing at 12x12 feet, the Camelot adds instant charm and appeal to any outdoor space. As practical as it is beautiful, the three-panel adjustable louver system allows you to choose between sun and shade for a completely customizable sanctuary all day long. The louver panels turn 45 degrees in both directions, with 4 inches between each panel. With the sun at its highest point, the Camelot will provide full shade.

Crafted from premium weather-resistant vinyl, the Camelot pergola is maintenance-free and built to last. The Camelot pergola is covered by a 20-year warranty, with 5-year coverage on the louver assembly.
