DESCRIPTION

Combining exclusive architectural features with the timeless beauty of tradition. The clean lines and classic styling of this significant arbor will add drama to any surrounding. A rectangular pattern graces each side panel, for a modern look. This framework is perfect for supporting climbing plants, or leave it unadorned for a more streamlined look. Molding at the top of each leg leads to the arch, with a keystone accent in the center of the arch for added interest. The Westchester Arbor provides freedom from maintenance. no painting, staining, or sealing is required to keep the Westchester Arbor's exceptional good looks. The difference is in the details.
