### DESCRIPTION

These rods can be used as extensions to supplied finial rod. This assists when installing finial into cupola or other feature that additional rod length is needed to reach the mounting hardware. All rods have male and female ends so they can be joined together.

Dalvento 950-14 Iron rod 14" Black powder-coated steel for added durability Double-pronged base makes it easy to insert into ground and keeps pole straight. An excellent way to display your finial outdoors
