DESCRIPTION

The Frog Door Knocker is sand-cast in solid Nickel Silver and Polished Chrome. The Frog Door Knocker was designed by Michael Healy, an accomplished Rhode Island artisan. Michael has many childhood memories of summer afternoons spent trying to catch frogs in his backyard. How happy he would have been to have caught a frog as large as your Frog Door Knocker. This playful Frog Door Knocker is a reminder of the innocence of youth and will surely bring smiles to your guests' faces.
