DESCRIPTION

Elite Wall Paneled Wainscoting Accent Wall 5 ft KIT, 96" high, consisting of every thing you need for a three tier eight foot section of wall including: one 5' length of base rail; two 5' lengths of shoe moulding; four 5ft rails, 3 - 26" stiles, and 9 - 16 1/8" stiles as per photo. If you have a doorway or windows, the trims are easily customize with our router bit. This wainscot system has no panels, once the walls are painted no one can tell that the walls are in fact the panels!

Many of our customers substitute a cornice moulding instead of the shoe trim for the top.
