### DESCRIPTION

This easy-to-use window features an in-swing design and brings enhanced style and functionality with its 6" acrylic block construction. The window is 29-1/4" by 47-1/4" and meets IRC Building Code for Egress. Providing privacy and security, the acrylic block offers a tested energy rating comparable to 7/8" insulated glass and is also 75% lighter than glass block. The window's vinyl frame is maintenance-free and its fiberglass full screen is removable from the inside. The acrylic block is UV-stabilized for integrity and will not turn yellow.
